The most recent study shows that on average 20 U.S. Veterans commit suicide each day. We will be walking 20 or 2.0 miles on Veteran's Day, November 11th, 2017. Thank you for your donation to HOOAH, Inc., so that we can continue to be HOOAH and do what our name stands for - Helping Out Our American Heroes!

No one in our organization gets paid, and never will, and we don't reimburse ourselves for a lot of our expenses. Please feel free to browse our site (<http://hooahinc.org/>), and see what our chapter organizations are up to! There are events planned throughout the year to help fund our mission and we would be grateful if you would attend one or all of them!
